Hindi

PERSONAL PROJECTS

Credit Card Checkout Form

Built a responsive credit card checkout form with a clean, user-friendly UI. Added JavaScript-based validation for card number, CVV, and expiration date to enhance accuracy and user experience across devices.

Loan EMI Calculator

Built an interactive EMI calculator featuring real-time loan calculations and dynamic DOM-based updates for EMI, total interest, and total payment. Crafted a modern, visually appealing UI using CSS gradients and custom styling.

Landing Page Design

Built a responsive, modern landing page leveraging Bootstrap's grid system for seamless layout adaptation. Ensured visual consistency through clean typography, refined color harmony, and compelling call-to-action buttons.

TECHNICAL EXPERIENCE

Frontend Web Developer (Self-Project Experience)

Personal Learning & Portfolio Development

Achievements/Tasks

Developed 4+ UI-focused web projects as part of the Daily UI Challenge. Designed and built responsive web pages using HTML, CSS, JavaScript, and Bootstrap. Implemented real-time form validation, DOM manipulation, and interactive features. Continuously learning modern frontend technologies through Angela Yu's Web Deve
